

RIDBC Auslan Tutor

RIDBC Auslan Tutor

- Comprehensive, clear and portable video-based Auslan instructional language tool
- Hearing families and professionals learning Auslan to communicate with and teach their young deaf child
- Early childhood vocabulary
 - currently have over 2500 individual entries

RIDBC Auslan Tutor

- Auslan learners who live in rural and regional areas often don't have access to deaf education facilities or deaf role models to successfully learn Auslan. This teaching tool offers immediate exposure to Auslan in a fun, accessible and interactive way to build upon the foundation established in videoconference sessions.
